

Why choose Monash to study Childcare?

Learn from industry professionals

Our trainers all hold the TAE40110 Certificate IV in Training and Assessment and the Diploma of Early Childhood Education and Care and undertake regular professional development to maintain their industry currency. They have extensive experience working in a variety of early childhood settings and have developed strong networks within the industry. They understand that all students are different and learn in their own ways and they customise their training accordingly. They are passionate about the early childhood industry and have a strong desire to share their skills and knowledge with their students.

High quality resources

At Monash we use only the highest quality resources for our programs. This includes user-friendly student workbooks, interesting handouts, detailed PowerPoint slides and industry guides. In addition we use lots of hands-on equipment and materials in class, just like you would find in an early childhood setting. Eg. children's story books, nappies, craft materials, early learning aides and preschool toys.

Flexible timetables

We know our students are often busy juggling families, work and personal commitments. With a range of weekday, evening and weekend programs we have a timetable to suit your needs.

Access to our unique leadership program

This 5-day program has been specifically designed to meet the needs of leadership roles within early childhood education and care settings. We have worked closely with industry to bring you the skills and knowledge to embark on a career path to more senior positions in the early childhood sector.

Students who successfully complete this program will be awarded with a Certificate of Completion for this "Early Childhood Education Leadership Program" as well as a nationally recognised Statement of Attainment for 4 units from the BSB42015 Certificate IV in Leadership and Management.

Support for your learning

We understand that everyone has different learning styles and needs and our trainers tailor their teaching to suit the needs of the class. We provide a range of welfare and educational support to our students such as one-on-one tutoring for computer skills, study guides,

An award-winning campus

Learn in the beautiful surroundings of a vibrant campus with lush gardens, retail outlets, modern cafés and outdoor eateries. With shops, banks, a post office, a hair & beauty salon, sports facilities, theatre and a range of services onsite you'll be able to make the most of your Monash experience.

Affordable fees and flexible payment options

Being a not-for-profit provider we are able to keep our fees to a minimum. We also have funding available to eligible students under the Victorian government's Skills First program, making the fees even more affordable. We offer flexible payment options, with students able to pay their fees in convenient instalments throughout the duration of the course.

A Pathway into a Monash University degree

Our Diploma of Early Childhood Education and Care provides a pathway into the Monash University Faculty of Education. Up to 48 credit points can be awarded for the Bachelor of Education (Honours) in Early Years Education and for the Bachelor of Education (Honours) in Early Years and Primary Education. Students may also be considered for admission into other qualifications such as the Bachelor of Education (Honours) in Primary and Secondary Education and the Bachelor of Education (Honours) in Primary and Secondary Inclusive Education.

Come for the fun!

Our early childhood classes love spending time together and our trainers ensure that every class is full of fun, laughter and friendships.
